

**New  
Release**

From Japan to the world

**NEW FS Series**

## **FS703B-G4x452/PD3/Y**

**4-needle, feed-off-the-arm, interlock stitch machine with top cover thread for flatseaming with double edge trimming.**

### **Subclass specifications**

				(mm)	(mm)		(mm)	(rpm)
FS701-G1x452	light fabrics	4	6	5.2	2.5	0.7-1.5	5.5	4,200
FS703-G3x452	medium fabrics	4	6	5.2	2.5	0.7-1.5	5.5	4,200
FS703A-G4x460	heavy fabrics	4	6	6.0	2.5	0.7-1.5	5.5	4,200
FS703B-G4x460	extra heavy fabrics	4	6	6.0	2.5	0.7-1.5	5.5	4,200

### ● Applications

Joining shoulders on underwear, T-shirts and similar garments  
Crotch joining on briefs or gusset attachments on panties.

### ● Features

Modified gauge parts prevent yarn distortion on fabric that forms a tail at the end of sewing, allowing operators using this machine to achieve neatly finished products.

This 4-needle interlock stitch machine produces flat seams that are strong but still soft to the skin.

Equipped with a feed-off-the-arm bed, it is very easy to sew small, as well as regular, tubular goods.

The machine flatseams the fabric while trimming the left and right fabric edges, so that the overlapped area is uniform and beautiful. (FS703)

With single edge trimming ---- FS701

With double edge trimming ---- FS703
